Charlotte McGinnis and Lindsay Babich Present for Your Enlightenment

Angel Messenger Practitioner® Certification

With Margaret Ann Lembo, Angel Therapy Practitioner® and AMP®

Are you interested in developing your intuitive skills?

Would you like to provide insights or readings for yourself and others?

Do you already recognize that you are profoundly clairvoyant or psychic but just haven't had the courage to really use it to help others and yourself while increasing your income?

In this workshop, you will learn and practice different tools for receiving guidance from angels, guides, ascended masters and loved ones on the Other Side. Through knowledge, practice and development of self-trust, you will be giving messages using Divine Guidance.

- ◆ Learn about the angelic realm including information about Guardian Angels, Archangels, Ascended Masters, Spirit Guides, Animal Totems, Elementals, Fairies and Deceased Loved Ones.
- ◆ Discover your natural intuitive communication style.
- ◆ Learn how to give accurate and healing angel readings using Angel Oracle cards
- ◆ Learn how to read Crystals and Gemstones using The Gemstone Oracle
- ◆ Practice automatic writing, psychometry and mediumship
- ◆ Learn techniques as to how to advertise yourself and build your practice.

The program includes various meditations to develop your skills and the ability to connect with your guides and angels. It also includes the Guided Meditation CDs by Margaret Ann Lembo, *Meet Your Master Guide* and *Color Meditation: Align Your Chakras*. It is a requirement that you purchase at least one of Doreen Virtue's Angel Oracle Divination Decks for use in this program. **There is Required Reading before the event.**

Requirements for Certification:

- ◆ Have an open mind and a willingness to share in a group setting.
- ◆ At the completion of the course you will be required to complete at least 10 Angel Messenger Spiritual Counseling Sessions (outside of class during your 3 month apprenticeship).
- ◆ Submit a short essay as to why you want to become a certified Angel Messenger Practitioner® and discuss your experience of working with the angels during your sessions.

Upon completion of the program, 10 sessions and your essay, your Angel Messenger Practitioner® certificate will be mailed to you.
